What our clients think

“They are absolutely superb – they have done a great job for us. They are responsive and know what they are doing. I don’t hesitate in putting anything into their hands. Their pricing is realistic and the service is great. I have total confidence in them.”

Frank Kaufhold,
Managing Director - UTEL

“Sandersons are a highly productive and professional team of Patent Attorney's. Working with integrity and straight honest communication, they get the job done and we have no hesitation in recommending them to all that require the services of patent application services.”
