

Based in Bishop's Stortford, we are a small team providing independent, tailored corporate finance services to our clients in East Anglia.

FORWARD

Corporate Finance

At Forward, we help owners and managers of businesses to plan for and achieve their goals. Whether that is a business sale, structuring and completing a management buy-out or making a strategic acquisition, we are committed to delivering success for our clients.

We are with you from the start to completion, ensuring your transaction is properly planned and efficiently executed. Planning, thinking and moving you FORWARD.

How can we help?

We focus only on transactions, helping business plan for, structure and execute:

- Management buyouts
- Private equity transactions
- Business sales
- Strategic acquisitions
- Debt fundraisings

Why choose to work with us?

- **We have extensive experience:** We bring over 30 years of expertise in corporate finance, consulting and private equity, working with SMEs in the UK and Ireland.
- **We are owner manager, and SME specialists:** We focus on solutions in the market, be they equity or debt, that are the right fit for our SME and owner managed clients.
- **You get senior, hands on engagement throughout the process:** You will receive senior input from the start, all the way through the project, and with our sleeves rolled up.
- **We are focused on success:** We are a small boutique firm that is 100% focused on you and your plans - success for you is success for us.

What our clients say...

“Forward have been beside us all the way through the transaction, explaining everything as we went along. They raised the funding for us, and their practical approach enabled us to deal with all the hurdles that came along, and keep the transaction moving.”
