Norwich wine merchant Buy The Case has opened a new bar and restaurant — the Wine Cellar - in Woburn Court just off Guildhall Hill in the city centre. The wine merchant, jointly owned by Alistair Wilson and James Robinson, has taken over the former premises of the Winepress and reopened them to provide a wide selection of wines, locally grown gourmet food and a retro Victorian atmosphere.

The deal, negotiated by James Milk of Norwich law firm Clapham & Collinge, provides the new proprietors with a 15-year lease on the premises from Guildhall Properties Norwich Ltd
